

## *2025 Bulletin Board Contest*

### **Rules:**

The Bulletin Board Contest is open to any K-4<sup>th</sup> grade class in Anderson County. Bulletin board projects are a class effort and should include work of all students in the class. School groups such as science clubs, environmental clubs, or other after school programs are welcome to compete. There is no restriction on the size of the bulletin board.

Create a unique bulletin board outside your classroom (or inside) that showcases the theme of the year “Home is Where the Habitat Is.” Be creative and inspiring!

### **Topic:**

This year’s theme highlights the vital role native habitats play in sustaining biodiversity, storing carbon, and protecting soil and water resources. When animals, plants, and aquatic life have healthy habitats, it benefits us all by ensuring ecosystem stability, enhancing natural beauty, supporting clean air and water, and creating a resilient and sustainable environment.

### **Prizes:**

One class/group will be selected, for an **ice cream party**, on a county-wide basis. Multi-grade groups (i.e. science clubs, etc.) will be judged at the highest grade level represented by the group. Winners will be contacted by ASWCD to set up a date for your ice cream party!

### **Deadline: March 21st, 2025**

All participating schools should contact the Anderson Soil & Water Conservation District office by March 10th to sign-up for a time to have their entries judged before the deadline. Please contact ASWCD if you have any questions or need further information.
